

TO WHOM IT MAY CONCERN

As a manager of Globus EOOD I recommend and guarantee for Asen Bochukov's qualities and capability in the area of geodesy. He has been working on our project WDF (Waste Disposal Facility) AES Galabovo Cell 2 since its beginning (June 2012) until its end (July 2014), where the owner is AES Maritza East I Ltd.

The Project WDF (Waste Disposal Facility) AES Galabovo Cell 2 includes as major quantities approximately 1 700 000 m³ of excavation, 370 000 m³ of fill works, 110 000 m³ of gravel fill works, 250 000 m² of HDPE geomembrane, 425 000 m² of geotextile, 2 400 m 300mm HDPE leachate pipes, installation of dust suppression system with 5 100 m of pipeline.

His duties at construction of WDF2, drainage and soil cover for final closure of WDF1 and building new dikes on both facilities envelop all geodetic activities according to the construction of the project and monitoring of the earth works:

- making 3D models and all other activities according to the intelligent GPS system for self-level and position control of dozer and grader, both Leica's and Topcon's;
- organizing and managing a survey team;
- making survey, tracing data and making linelevellings as well as post-processing data using the relevant software of Leica, Topcon, TPLAN, etc.;
- working with GPS, Total Station, Line leveling, 3D machine control.

Mr. Bochukov has done excellently all mentioned above tasks.

As an AES Contractor we follow their core values which set AES apart from others in their industry: put safety first; act with integrity, honor commitments, strive for excellence, have fun through work. I consider that he entirely fulfills these values and way of work. In the dynamic environment at work he has made fast and adequate decisions. In working process he shows high level of professionalism, does not compromise the final product of his work and strives for achieving a maximum result. He is loyal and defends the image of the company he works in.

I give excellent assessment of his overall work. I consider that Mr. Asen Bochukov can execute activities in his professional competency effectively and precisely. I recommend him as conscientious and scrupulous representative and I think that you will be more than pleased with the quality of his work.
